

Software Site License Agreement
Attachmate Corporation License Program
Requisition # _____

The software licenses made available through this program are proprietary products of Attachmate Corporation and are protected by copyright law and international treaty. It is expressly agreed that Attachmate Corporation retains sole title to and ownership of these software products, and the license obtains hereby only the rights to the use thereof as set forth in this Agreement.

YOU MAY:

1. Install this software on one (1) computer or workstation per license.
2. Use this software on a single file server on a compatible local area network provided the number of concurrent users on the network at any time does not exceed the number of licensed copies of this software then dedicated to the network. A license is dedicated to the network if it is used exclusively on that network.
3. Transfer this software to another network if, and only if, you delete the software from the prior network.

YOU SHALL NOT:

1. Use, copy, or transfer copies of this software except as provided in this License Agreement.
2. Alter, merge, modify, or adapt this software in any way including disassembling or decompiling.
3. Loan, rent, lease, or sub-license this software or any copy.
4. Have more users accessing the software on the server at any time than the number of licensed copies for that server.
